

## Job Description

**Position Title:** Field Clinician  
**Program:** New Directions, TCORE and HRC  
**Supervisor:** As designated on the organizational chart  
**FLSA Status:** Non-Exempt (Hourly)  
**Effective:** May 2021

**Summary:** The Field Clinician works as part of multi-disciplinary team to provide and coordinate services and resources for clients. The PSC Master's Level will be responsible for completing the intakes for the respective program and provide therapy when clinically indicated in coordination with the Program Director or Clinical Director. The goal of the Field Clinician is to provide referrals, crisis intervention, support and encouragement to enable the client to access and use mental health and other services that prevent hospitalization and incarceration, and help the client find and maintain permanent housing and mental stability. This position assists clients with financial matters and entitlement issues, and gives the clients the care and attention needed to enable them to learn better coping skills, independent living skills, and techniques to empower clients with recovery, a sense of responsibility and independence.

**Essential Duties and Responsibilities:** include the following. Other duties may be assigned.

1. Support individuals with active listening, demonstration of empathy and carry a message of hope and recovery.
2. Observe, assess, intervene and refer (within one's scope of practice) in situations with clients regarding mental health symptoms, physical health symptoms and substance use issues.
3. Develop service/goal plans with clients and meet with the clients as needed to encourage, support and advocate for progress and assist with skill development. .
4. Work with a multi-disciplinary team to provide integrated psychosocial rehabilitative services to clients in the community and their homes, and attend meetings to ensure continuity of care for clients.
5. Provide positive public relations, community referrals, information and support by linking clients to needed resources; advocate with and on behalf of clients and significant support persons the clients have identified.
6. Accurately complete all necessary forms, reports and paperwork required by the program on a timely basis (e.g., progress notes, special incident reports, discharge summaries, Medi-Cal billing, Avatar forms, HMIS).
7. Facilitate planning of social, cultural, educational, supportive and recreational group activities.
8. Shop for food and household supplies to meet program or client needs.
9. Ensure the office, house, rooms, units and yard are clean and fit for occupancy, where applicable. Provide and assist with cleaning as needed.

10. Act as a designated Mandated Reporter for the observed or suspected abuse and/or neglect of children, disabled individuals, dependent adults and elder/senior citizens. Mandated Reporter also includes "Duty to Warn" which includes the responsibility to notify authorities and the intended victim(s) of physical harm.
11. Transport clients as needed.
12. Ensure the protection and confidentiality of all Protected Health Information (PHI) by following all policies and procedures in the agency HIPAA Manual.

**Supervisory Responsibilities:** This job has no supervisory duties.

**Measures of Performance:** The Field Clinician shall be considered to be performing in an acceptable manner when the following have been accomplished:

1. Interpersonal Skills – Responds promptly to colleagues and/or client needs. Focuses on solving conflict, not blaming; Maintains confidentiality; Listens to others without interrupting; Keeps emotions under control managing difficult or emotional situations; Remains open to others' ideas and tries new things; Shows respect and sensitivity to all people including those with cultural differences; Promotes a harassment-free environment; Treats people with respect; Inspires the trust of others; Works with integrity and ethically; Upholds organizational values. Reacts well under pressure.
2. Communication – Speaks and writes clearly; Listens and gets clarification; Tailors the content of speech to the level and experience of the audience; Uses appropriate grammar and choice of words; Organizes ideas clearly; Responds well to questions; Demonstrates group presentation skills; Participates in meetings; Ensures that others involved in a project or effort are kept informed about developments and plans.
3. Teamwork – Balances team and individual responsibilities; Exhibits objectivity and openness to others' views; Gives and welcomes feedback constructively; Contributes to building a positive team spirit; Puts success of team above own interests; Supports everyone's efforts to succeed; Is open with other team members about his/her concerns; Is able to see the merits of perspectives other than his/her own; Demonstrates openness; Makes agreements/commitments and follows through.
4. Judgement - Displays willingness to make decisions; Exhibits sound and accurate judgment; Supports and explains reasoning for decisions; Includes appropriate people in decision-making process; Makes timely decisions.
5. Quality and Quantity – Demonstrates accuracy and thoroughness; Looks for ways to improve and promote quality; Applies feedback to improve performance; Monitors own work to ensure quality; Meets productivity standards and completes work in a timely manner.

6. Attendance/Punctuality – Is consistently at work and on time; Ensures work responsibilities are covered when absent; Arrives at meetings and appointments on time.
